EXPERIENCE

09/24 - Present

Forvis Mazars

Regional Marketing Associate

- Manage 30+ marketing events and sponsorships across the Northeast, leading initiatives from planning through execution to grow brand presence and support business goals.
- Build relationships with industry associations and partners, identifying and pitching sponsorships, speaking opportunities, and strategic partnerships.
- Collaborate with cross-functional teams and industry leaders to develop marketing initiatives and thought leadership campaigns that support regional growth.

07/23 - 08/24

Stanton Chase

Senior Associate

- Managed 20+ senior-level searches end-to-end, learning clients' businesses, cultures, and brand positioning to identify and engage the right talent.
- Created marketing content, collateral, and email campaigns that strengthened brand visibility, audience engagement, and business development.
- Partnered with clients and internal teams to refine messaging, optimize outreach, and streamline content creation and distribution.

08/22 - 07/23

Mazars USA

Marketing Intern

- Lead the conceptualing, design, and execution of a firmwide content experience, translating employee interests and cultural trends into engaging lifestyle, community, and professional content.
- Bring the firm's brand to life through creative campaigns, events, and internal communications that strengthen engagement and create a connected experience across global offices.

05/22-08/22

Code Galaxy

Social Media & Partnerships Intern

- Managed the company's social media presence, developing and publishing content to strengthen brand visibility, audience engagement, and overall digital presence.
- Built and maintained relationships with influencers and potential brand partners, leading outreach and communications to identify collaboration opportunities and support successful partnerships.
- Leveraged SaaS-based marketing tools to identify and prioritize relevant leads based on audience fit, business needs, and budget, supporting targeted outreach and marketing growth.
