EXPERIENCE

09/24 - Present **Forvis Mazars**

Regional Marketing Associate

- Oversee a portfolio of 30+ marketing events and sponsorships across the Northeast, taking initiatives from planning through execution to strengthen brand presence and support business goals.
- Cultivate relationships with industry associations and external partners, identifying and pitching sponsorships, speaking opportunities, and strategic partnership opportunities.
- Coordinate with cross-functional marketing, business development, and client-facing teams to develop regional marketing initiatives, events, and thought leadership programs that support growth and audience engagement.

07/23 - 08/24 **Stanton Chase**

Senior Associate

- Directed 20+ senior-level searches end-to-end, developing a strong understanding of clients' businesses, cultures, audiences, and brand positioning to identify and engage the right talent.
- Produced marketing content, collateral, and email campaigns that strengthened brand visibility, audience engagement, and business development efforts.
- Collaborated with clients and internal teams to refine messaging, optimize outreach, and streamline content creation and distribution.

08/22 - 07/23 **Mazars USA**

Marketing Intern

- Concepted, designed, and executed a firmwide content experience, translating employee interests and cultural trends into engaging lifestyle, community, and professional content.
- Brought the firm's brand to life through creative campaigns, events, and internal communications designed to strengthen engagement and create a connected experience across global offices.

05/22-08/22 **Code Galaxy**

Social Media & Partnerships Intern

- Shaped the company's social media presence by developing and publishing content to strengthen brand visibility, audience engagement, and digital presence.
- Fostered relationships with influencers and potential brand partners, driving outreach and communications to identify collaboration opportunities and support successful partnerships.
- Identified and prioritized relevant leads using SaaS-based marketing tools, evaluating audience fit, business needs, and budget to support targeted outreach and marketing growth.
